UltraSafe Lifejackets Specifications & Features

UltraSafe Products is a renowned manufacturer and supplier of a wide range of Lifejackets and Accessories. UltraSafe Lifejackets conform to the requirements of International Maritime Organization's (I.M.O.) Safety of Life at Sea (SOLAS) Convention and Life Saving Appliances Code (LSA CODE) along with their Amendments as entered into force from time to time.

UltraSafe Life Jacket are fully approved.

UltraSafe manufactures lifejackets catering to various Sectors:

Marine Industry, Central & State Government Disaster Management Department Sports, Tourism and Recreational Industry

Model : USPJA

Model	Specification	Approvals
USPJA for Adults	Weight - 1 kg Buoyancy - 193N Body Weight - 43kg+	IR Class Approved (IRS approved)

Lifejackets manufactured under the above Models are tested fully in conformance to the requirements of MSC 81 (70), MSC 200 (80), MSC 207 (81) and MSC 201 (81) and latest IMO (MSC) regulations.

UltraSafe Lifejackets are very user friendly, comfortable to wear and ideal in all respects for use by the personnel working on any type of vessel, be it Cruise Ships, Passenger Ferries, Cargo Ships, Offshore Vessels, Tankers, Sailing Vessels, Fishing Vessels, Port Tugs, Inland Boats, Trawlers, Barges, Rigs, Oil Process Platforms and Offshore Installations.

Ultrasafe Life Jacket is SOLAS make **Lifejacket designed to be folded to take up minimal space when stowed**. There is nil dead buoyancy across the chest which means full freedom of movement for the user, which ultimately makes it easier to board the liferaft or any marine craft.

Extra comfort is being provided by provision of a back panel and a side entry which ensures easy donning. Donning instructions are provided on the top section of the lifejacket.

The lifejacket is equipped with a crotch strap to ensure proper fit and performance after impact with water. The waist belt is 175 cm according to MSC.200 regulations ensuring one-size fits all for both universal and oversize crew and passengers. The lifejacket can be marked with customized marking of i.e. cabin number. All lifejackets are produced and certified according to the updated MSC.200 regulation and according to ISO9001:2015.
